

8BOARD OF COUNTY COMMISSIONERS

AGENDA ITEM SUMMARY

Meeting Date: Wednesday, May 19, 2004

Division: BOCC

Bulk Item: Yes ☐ No ☒

Department: Commissioner Rice, District 4

AGENDA ITEM WORDING: Approval to start Request for Proposal process for air ambulance services for Monroe County.

ITEM BACKGROUND: The Trauma System Study Group has identified three possible options for the enhancement of trauma care to the Middle and Lower Keys into the long-term future. One option is the public-private partnership with a helicopter company to base a helicopter in the Middle Keys to serve all of Monroe County; utilizing County paramedics, local hospital nursing staff, and County airport hangar facilities. To further develop these options, it would be helpful to determine the business interest in such a relationship.
